

Teachers Continuous Professional Development Program Launched in Telangana through TheTeacherApp

Hyderabad, 9 June 2026: Bharti Airtel Foundation, in collaboration with the Telangana Recognised School Managements Association (TRSM), launched the Teachers Continuous Professional Development Program through TheTeacherApp at Sujatha High School, Gunfoundry, Hyderabad.

The program aims to strengthen continuous professional development opportunities for teachers across TRSM member schools by providing access to high-quality learning resources, expert-led training, and technology-enabled teaching support.

The launch was held in the presence of **Shri K. Lingaiah, Director of Open Schools, BSE (FAC), Telangana**, along with **Shri S. Madhusudhan, State President; TRSM**, **Shri N. Ramesh Rao, State General Secretary, TRSM** and other dignitaries.

Through TheTeacherApp, teachers will gain access to self-paced professional development courses, expert-led webinars, AI-powered tools for generating lesson plans and assessments, and a repository of classroom resources including question banks and misconception documents. The platform also provides opportunities for teachers to engage with a wider professional learning community and receive recognition for their contributions.

Shri K. Lingaiah, Director of Open Schools, BSE (FAC), Telangana, said, "Continuous professional development is essential for enabling teachers to respond to the evolving needs of learners and classrooms. Initiatives such as TheTeacherApp provide teachers with access to relevant learning resources, innovative pedagogical practices, and technology-enabled support that can contribute significantly to improving the quality of education across schools."

Shri S. Madhusudhan, State President, TRSMA, said, "This collaboration will benefit thousands of teachers across TRSMA member schools by providing continuous learning opportunities, access to AI-enabled tools, and a professional platform to showcase their achievements. We are confident that empowered teachers will contribute significantly to improved learning outcomes for students."

Shri Manish Jha, Regional Head, Bharti Airtel Foundation, said, "Teachers play a critical role in shaping student learning experiences. Through TheTeacherApp, we aim to support teachers with accessible, high-quality professional development opportunities and practical classroom resources that can strengthen teaching practices and student outcomes."

The collaboration reflects a shared commitment by Bharti Airtel Foundation and TRSMA to strengthen teacher capacity and support quality education through continuous professional learning and the effective use of technology in classrooms.

About Bharti Airtel Foundation:

Bharti Airtel Foundation was established in 2000 as the philanthropic arm of Bharti Enterprises. The Foundation works in the space of holistic, quality education in rural India, with a special focus on the girl child, and supports higher education programs in partnership with premier institutions. Since 2006, the flagship **Satya Bharti School Program** has been providing free quality education to thousands of underprivileged children in rural India. Currently, over 33,000 children are enrolled in 147 Satya Bharti Schools, of which 51% are girls. The impact of quality education has been further extended through the **Quality Support Program (QSP)**, which has transferred the learnings and best practices of the Satya Bharti School Program to over 4.48 lakh students in over 1,200 partner government schools across 13 States/UTs (previously 14) since 2013. The Foundation's digital platform, **TheTeacherApp**, one of the country's most innovative technology solutions for educators, has over 2.32 lakh + users nationwide. Through various scholarship programs, including the **Bharti Airtel Scholarship**, the Foundation has supported over 2,000 scholars (44% of them girls) since its inception, creating higher education opportunities for children from underserved communities.

Since its inception, Bharti Airtel Foundation has positively impacted over 4.3 million+ children and overall, 7.8 million+ individuals through its various programs.
